# PRICE REDUCTION SALE

## FOR TEN DAYS

Beginning Monday morning, May 24, at 8:30 o'clock and ending Thursday evening, June 3, at 6 o'clock, we will offer our entire stock with the exception of Toilet Goods and Notions at a reduction from 15 to 33 1-3 and even 50% on some Ready-to-Wear.

It is useless for us to dwell upon the reason for having a sale of this nature at this particular time as the papers of Tulsa have given considerable space to the special sales all over the country and to the general price reduction of merchandise all over the United States and the efforts being made by merchants everywhere to unload their stock of merchandise. While we believe some of these press reports have been greatly exaggerated, yet it is a fact that the silk market and all high priced merchandise has received a considerable jolt; yet the cotton goods are not one cent cheaper than they were and on most staple articles are exceedingly scarce; yet we have quite a surplus of staple merchandise and have included them in this sale.

Upon the statement of the above facts, we are determined to cut our stock \$50,000 and we are sure that the prices we have made will enable us to accomplish this.
